

Ravensburger recalls the following products: Spin and Pop Leopard and Spin and Pop Monkey.

The following products are being recalled:

- Spin and Pop Leopard (article numbers 04868 / 12.034.012 / 12.034.033)
- Spin and Pop Monkey (article numbers 04867 / 12.034.011 / 12.034.032)

each with the batch numbers SM17774P1, SM17874P1, SM21374P1, SM24874P1, SM35974P3, SM36774P3, SM35974P5, or SM36774P5.

Why is the product dangerous?

Small parts may come loose during use of the product. This presents a choking hazard.

What should be done?

The products must no longer be used with immediate effect.

Consumers are asked to return the affected products directly to Ravensburger. Information on free returns and refunds can be found at www.ravensburger.com/recall.

Alternatively, consumers can return the affected products to their retailer upon presentation of proof of purchase.

Remedial measures for consumers

Consumers will be refunded the purchase price after returning the goods.

Contact

Information on free returns, refunds, and contacting our service team can be found at www.ravensburger.com/recall.

We sincerely apologize for any inconvenience and kindly ask for your understanding regarding this measure which is in the interests of safety.

Please inform others about this recall, especially if you know anyone who has been offered, lent, or sold the recalled product.
